Convincing Victory for Ken Baird!

Ken Baird hammered out another convincing victory this season in the Pro Truck 30 at the Ottodrome in Stittsville this past Wednesday. A record crowd for the Ottodrome this season looked on as Ken and the Main Street Pro Truck found their way to the front of the field from the outside pole. Ken was able to maintain his lead until a caution on the 25th lap. The restart would see Ken Baird once again regain the lead for the remaining five laps to see him win this Pro Truck event.

Catch Ken and the Main Street Racing Pro Truck in the remaining two Pro Truck events at the Ottodrome in Stittsville on July 28th, and September 1st.

Ken is also racing in the NASCAR 500 at the Autodrome St. Eustache in Montreal on Sunday August 15. Come catch all the action and cheer our boys to victory!
